

WORLD'S MOST COMPLETE LINE OF QUALITY, TIME SAVING BATTERY SERVICE TOOLS!

NO. 11 HEX NUT PLIER and POST CLEANER

A self-locking battery plier that will not slip! It has amazing leverage and strength; yet there is no strain on the rivet. End clearance eliminates cell cover breakage. This tool can also be used as a general purpose nut wrench ideal for brake nut adjusting. In protective plastic pouch.
STOCK NO. 11 LENGTH: 7½ In. WEIGHT: 8 Oz.

NO. 25 ANGLE-NOSE BATTERY PLIER

Designed for positive-grip on terminal nuts. The streamlined, very thin nose provides greater surface contact, better grip, and more leverage even in the tightest spots. Light and durable. In protective plastic pouch.
STOCK NO. 25 LENGTH: 7½ In. WEIGHT: 7½ Oz.

NO. 14 WRENCH-GRIP BATTERY PLIER

A powerful, self-gripping battery plier that grips tight to hex, square or round parts. Thin, tapered nose permits access to out-of-the-way places. A general purpose plier with many uses. In protective plastic pouch.
STOCK NO. 14 LENGTH: 7½ In. WEIGHT: 7 Oz.

NO. 52 SUPER-GRIP BATTERY PLIER

Maintains its own grip with a very light pressure holding the jaws in contact. Unique design eliminates all strain on the rivet. In protective plastic pouch.
STOCK NO. 52 LENGTH: 7½ In. WEIGHT: 7 Oz.

BLUE BIRD GOLD SEAL TIN SNIPS

especially manufactured and tested for the professional mechanic. A top quality tool with deluxe finish. Designed for body, gasket, and all-around shop use. Individually packed in protective award-winning package.
